GOVERNMENT OF MADRAS.
Development Department.

From

Sri R. Koteswara Rao,
Deputy Secretary to Government.

To

The Secretary to the Government of India,
Ministry of Agriculture, NEW DELHI.

Dated, Fort St. George, the 30th December 1950.

Sir,

Sub: Co-operative Societies - Storage of gur - Recommendation
of the Tariff Board.

Ref: Your letter No.SV.101 (4-7) 50/L.5238, dated 1-5-50
addressed to the Secretary to the Government of Madras,
Department of Food and Agriculture.

With reference to the recommendation of the Tariff Board contained in paragraphs 35(b) and (c) of its Report on Sugar Industry, this Government have examined the question of providing storage accommodation for gur through the agency of co-operative societies. Village credit societies and marketing societies in this State are being subsidised by the Government by means of loans and free grants for the construction of godowns. At present, the godowns so constructed do not provide facilities for arranging the gur on shelves and smoking it periodically. Wherever sugar-cane growers need storage accommodation, godowns constructed hereafter can provide these facilities for them in a separate compartment of the godowns. Where all the growers grow only sugarcane and the godown to be constructed is only for storage of gur, the entire godown may provide these special facilities.

(p.t.o.)

I am to state that necessary instructions have been issued accordingly and that the Government consider that this will meet the needs of the case.

Yours faithfully,

(Sd.) R. KOTESWARA RAO,
Deputy Secretary to Government.
